

VacnSeal Convenient Food Preserver

Description: Unlike the other products on the market, this wonderful built-in food preservation system is always out of the way yet conveniently located to help you quickly preserve your foods. And the best part is it is designed for everyday Ziploc(R) Double Zipper Freezer storage bags. Eliminate purchasing and storing special bags that require cutting and heat-sealing between uses. For those of us who are reusing food storage bags on a daily or weekly basis. This product is the answer you have been looking for. VacnSeal(TM) fits into any central vacuum system but if you don't have a built-in vacuum you can still have the Convenient Self-Powered VacnSeal Food Preserver! Visit www.vacnseal.com today or call 800-997-2278!
